

## Qualls Family Giving How to sign up

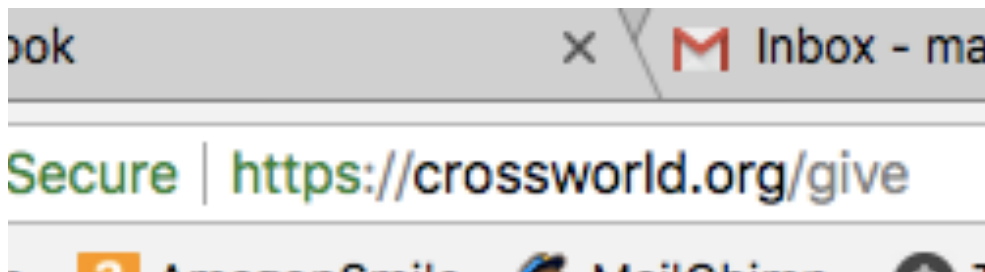

If you are having trouble signing up for ongoing support to Crossworld for our ministry, here is a step by step guide to walk through getting this done.

First of all, how would you like to remit your payment? There are several options. You can...

- send a check each month.
- Sign up for Electronic Funds Transfer (EFT) with your bank
- Use a credit card (there is a 3% cost to us on this. So a \$100/month gift will equal about \$97)

If you send a check monthly, make it out to Crossworld and mail it to 10000 North Oak Trafficway, Kansas City, MO 64155. In the memo field or on a separate page, include the account number 40319.

For EFT, go to [www.crossworld.org/give](https://www.crossworld.org/give).

This will take you to the give page...

Here you enter an amount...

Our account number...

And optionally our name.

Then click the "Give" button.

A screenshot of a donation form titled "Support a Worker's Ministry". The form has a light brown background. It contains three input fields: the first for the amount, the second for the account number, and the third for the name. The amount field is set to "10" with a dollar sign (\$) on the left and "USD" on the right. The account number field is set to "40319". The name field is set to "Mark Qualls" with a small blue icon to the right. Below the input fields is a red "GIVE" button. At the bottom of the form, there is a small Canadian flag icon followed by the text "Are you a Canadian donor? Click here.".

Oh wait, what if you want to use a credit card?

Great question! If you are at the “Checkout” screen shown above, you can select “credit card” as the payment option...

Then fill it out like any other credit card processing form and viola! You are on board.
